SHOW**

MY GYM PARTNER'S A MONKEY

Meet **Adam Lyon**, the only human kid in his class! Due to a massive mix up, Adam has been sent to a school for animals where gorillas, giraffes and every other animal you can think of rule the roost! His best pal is Jake Spider Monkey but choosing an ape as a best mate lands him in a whole world of trouble! Can he ever get used to the weird world of Charles Darwin Middle School? Check out the show and find out!!

JAKE SPIDER-MONKEY

Jake is an energetic and adventurous ape who quickly becomes Adam's best buddy. He's a true friend who will do anything to help Adam when he's in trouble - despite causing most of the trouble himself! Oh, and he has an obsession with the well-being of his butt.

ADAM LYON

A naïve twelve-year old human who was transferred from a human school to Charles Darwin Middle School by an accidental mis-spelling of his last name from "Lyon" to "Lion". He is also physically weak which makes him a prime target for "Bull" Sharkowski and the other bullies.

PRINCIPAL PIXIEFROG

The principal of Charles Darwin Middle School runs a tight ship, which is somewhat remarkable considering he could easily be squashed underfoot by most of his students!

VIRGIL "BULL" SHARKOWSKI

The school's resident bully, Virgil "Bull" Sharkowski is a bad boy who enjoys being up to mischief and always has a few tricks up his sleeve. He's not helped by a high-pitched, squeaky voice that makes him sound a lot less threatening than he really is.
